

datmo::cloud\_segmentation

```
graph BT; Velodyne --> datmo; ZR300 --> datmo;
```

The diagram illustrates a hierarchical structure. At the top is a box labeled 'datmo::cloud\_segmentation'. Below it, two boxes labeled 'Velodyne' and 'ZR300' are positioned side-by-side. A horizontal line connects the top of these two boxes, and a vertical arrow points from the center of this line up to the bottom of the 'datmo::cloud\_segmentation' box, indicating that both 'Velodyne' and 'ZR300' are inputs or sub-components of 'datmo::cloud\_segmentation'.

Velodyne
